

Tomato basil pasta

Serves 6 | Main | Prep 15 min | Cook 25 min

INGREDIENTS

600 g Dried pasta / 1.2 kg Crushed tomatoes / 45 mL Olive oil / 6 cloves (18 g) Garlic, thinly sliced / 30 g Fresh basil / 1 tsp, plus pasta water as needed Salt / ½ tsp Black pepper / 90 g Parmesan, optional

METHOD

1. Bring a large pot of water to a boil. Prepare the garlic and tear the basil; reserve a few leaves for serving.
2. Heat oil in a wide pan over medium-low heat. Cook garlic for 1–2 minutes until fragrant, without browning.
3. Add tomatoes, salt and pepper. Simmer gently, uncovered, for 15–20 minutes, stirring occasionally until slightly thickened.
4. Cook pasta according to the package until al dente. Reserve 250 mL cooking water before draining.
5. Toss pasta with sauce over low heat for 1–2 minutes. Add reserved water a little at a time until the sauce coats the pasta.
6. Fold in basil off the heat. Divide into six bowls; add Parmesan if desired.

KITCHEN NOTE

Use gluten-free pasta if needed. The pasta-water quantity is a reserve, not an amount you must add.
