

# Scallion egg pancake

Serves 6 | Snack | Prep 10 min | Cook 20 min

## INGREDIENTS

6 × about 100 g Ready-made scallion pancakes / 6 large Eggs / 60 g Scallions, finely chopped / 30 mL Neutral oil / 15 mL Soy sauce, optional

## METHOD

1. Check the pancake package for its cooking time and any thawing instructions.
2. Beat eggs with scallions. Divide the mixture mentally into six equal portions.
3. Heat 5 mL oil in a nonstick pan over medium heat. Cook one pancake according to its package until golden on both sides.
4. Lift the pancake out. Pour in one-sixth of the egg mixture, then place the pancake over the wet egg.
5. Cook until the egg is fully set. Flip briefly if needed, then roll or cut into wedges.
6. Repeat for the remaining five pancakes. Serve one per person, with optional soy sauce.

## KITCHEN NOTE

Use two pans to shorten cooking time. Keep finished pancakes warm rather than letting raw egg sit out.
