

Warm cinnamon pears

Serves 6 | Snack | Prep 15 min | Cook 20 min

INGREDIENTS

6 medium (about 1.2 kg) Firm ripe pears / 180 mL Water / 1 tsp Ground cinnamon / 15 mL Lemon juice / 450 g Plain yogurt / 15 mL Honey, optional

METHOD

1. Wash pears, halve and remove cores. Slice each half into three thick wedges.
2. Put water, cinnamon and lemon juice in a wide pan. Add pears in a single layer where possible.
3. Bring to a gentle simmer over medium heat. Cover and cook 8–12 minutes until a knife enters easily; firmer pears may need longer.
4. Uncover and simmer 2–3 minutes to reduce the liquid slightly. Stir gently to avoid breaking the wedges.
5. Divide pears among six bowls with a little warm cooking liquid. Add 75 g yogurt per portion.
6. Drizzle with optional honey only for diners older than one year and serve warm.

KITCHEN NOTE

This gently poached version keeps the fruit soft; it is not a caramelized or baked pear recipe.
