

Spiced Roasted Broad Beans

Serves 6 | Snack | Prep 20 min | Cook 45 min

INGREDIENTS

900 g Canned cooked broad beans (fava), drained, skins removed / 30mL Olive oil / 5g Smoked paprika / 5g Garlic powder / 3g Sea salt

METHOD

1. Preheat oven to 400°F / 200°C.
2. Rinse the drained cooked beans, remove loose skins and pat them very dry; spread on a clean towel for 15 minutes to remove excess moisture.
3. In a bowl, toss the dry beans with olive oil, paprika, garlic powder, and salt.
4. Spread in a single layer on a large baking sheet. Use two trays if needed so that the beans do not crowd each other.
5. Roast for 35-45 minutes, shaking the pan every 10 minutes, until the outside is crisp. Larger beans may remain slightly tender inside; cool a sample before checking texture.
6. The beans should be crunchy but not burnt.
7. Cool completely on the pan, as they crisp up while cooling.
8. Divide into six small bowls for serving.

KITCHEN NOTE

Ensure beans are thoroughly dried before oiling for maximum crunch. Use fully cooked beans, not raw or merely soaked dried beans. Developed for Real Family. Not kitchen-tested.
