Serves 6 | Main | Prep 20 min | Cook 25 min

INGREDIENTS

450g Ground pork / 600g Firm tofu, sliced / 45g Gochujang / 40mL Soy sauce / 15g Garlic, minced / 15mL Sesame oil / 150g Onion, chopped / 250mL Water / 30g Scallions, sliced / 450 g Uncooked short-grain rice / 600 mL Water for rice / 450 g Carrots, thinly sliced

METHOD

1. Cook the measured rice and rice water according to package directions. In a large skillet, brown the ground pork over medium-high heat until it reaches 160°F / 71°C.
2. Add the onion and carrots and cook for 5 minutes, stirring frequently, until the onion softens and carrots begin to become tender.
3. Whisk together gochujang, soy sauce, garlic, and sesame oil with the water.
4. Arrange the tofu slices on top of the cooked pork in the skillet.
5. Pour the sauce mixture over the tofu and pork.
6. Cover and simmer on medium-low heat for 12-15 minutes, allowing the tofu to absorb the sauce.
7. Remove the lid, sprinkle with scallions, and simmer for another 2 minutes to reduce the liquid slightly.
8. Divide the cooked rice among six bowls, then spoon the hot tofu, pork, carrots and sauce over each portion.
