Serves 6 | Snack | Prep 15 min | Cook 0 min

INGREDIENTS

180g Rolled oats / 150g Smooth peanut butter / 60g Honey / 60g Raisins, chopped / 3g Ground cinnamon / 20g Chia seeds / 30mL Water

METHOD

1. Check that the peanut butter contains no unexpected allergens. Combine oats, chopped raisins, chia seeds and cinnamon in a large bowl.
2. Stir peanut butter, honey and measured water together in a separate bowl until evenly blended; use room-temperature peanut butter to make mixing easier.
3. Add the wet mixture to the dry ingredients. Fold thoroughly until every patch of oats is moistened and the mixture holds together when squeezed.
4. Refrigerate the bowl for 20 minutes to let the oats and chia absorb moisture. Divide the mixture into eighteen equal portions.
5. Roll each portion into a compact ball with clean hands and arrange in a single layer in a covered container.
6. Serve three bites per person. Keep refrigerated and consume within 3 days; do not store these moist bites at room temperature.
