

Crispy Five-Spice Tofu Bites

Serves 6 | Snack | Prep 15 min | Cook 20 min

INGREDIENTS

600g Extra firm tofu, pressed and 2cm cubes / 45g Cornstarch / 100mL Neutral oil / 5g Five-spice powder / 3g Salt / 1g White pepper

METHOD

1. Pat pressed tofu cubes extremely dry with a clean kitchen towel to ensure crispiness.
2. In a shallow bowl, toss tofu cubes with cornstarch until every side is evenly coated; shake off excess.
3. Heat oil in a deep pan to 350°F / 175°C. Test temperature with a small piece of tofu; it should sizzle immediately.
4. Fry the tofu in three batches to avoid overcrowding the pan, cooking for 5-6 minutes per batch until golden and crispy.
5. Remove tofu using a slotted spoon and drain on a wire rack for 2 minutes.
6. In a small bowl, whisk together the five-spice powder, salt, and white pepper.
7. While the tofu is still hot, sprinkle the seasoning mixture over the bites and toss gently.
8. Divide into six small bowls and serve immediately while hot and crunchy.
