

Sweet Potato and Scallion Fritters

Serves 6 | Snack | Prep 20 min | Cook 20 min

INGREDIENTS

600g Sweet potatoes, peeled and shredded / 40g Scallions, sliced / 100g All-purpose flour / 30g Cornstarch / 80mL Water / 4g Salt / 60mL Neutral oil

METHOD

1. In a large bowl, combine the shredded sweet potato, scallions, flour, cornstarch, and salt.
2. Gradually stir in the water until a thick, cohesive batter forms; the mixture should bind the potatoes together.
3. Heat 20mL of oil in a large nonstick skillet over medium heat.
4. Scoop 1/6 of the batter into the pan for each fritter, flattening with a spatula to about 10cm diameter.
5. Cook for 5-6 minutes per side until the sweet potato is tender and the edges are deeply golden and crispy.
6. Remove from the pan and drain on paper towels to remove excess oil.
7. Repeat for all six fritters, adding remaining oil as necessary.
8. Serve warm, cut into wedges if desired.
