

Sesame Coconut Pudding Squares

Serves 6 | Snack | Prep 15 min | Cook 10 min

INGREDIENTS

400mL Full-fat coconut milk / 300mL Milk / 70g Cornstarch / 60g Granulated sugar / 20g Toasted black sesame seeds / 30g Unsweetened shredded coconut

METHOD

1. Line a 20cm square shallow container with parchment paper, leaving edges overhanging so the set pudding can be lifted out safely.
2. Whisk cornstarch with 150mL of the cold milk in a small bowl until no lumps remain. Combine remaining milk, coconut milk and sugar in a saucepan.
3. Warm the saucepan over medium-low heat, stirring until sugar dissolves. Pour in the cornstarch mixture slowly while whisking continuously.
4. Cook gently for 3-5 minutes until the pudding thickens and bubbles. Keep stirring to prevent sticking, then fold in the toasted sesame seeds.
5. Pour into the lined container and smooth the top. Cool briefly, refrigerate within 2 hours and chill for at least 4 hours until firm.
6. Lift out, cut eighteen squares and coat lightly with shredded coconut. Serve three squares per person and keep all remaining pudding refrigerated.
