

Crunchy Seaweed and Rice Puff Clusters

Serves 6 | Snack | Prep 15 min | Cook 15 min

INGREDIENTS

180g Plain puffed rice cereal / 8g Toasted nori, finely cut / 30g Toasted sesame seeds
/ 100g Brown rice syrup / 10mL Soy sauce / 15mL Neutral oil

METHOD

1. Preheat the oven to 300°F / 150°C. Line a large shallow tray with baking parchment and measure the cereal into a heatproof mixing bowl.
2. Cut toasted nori into very small pieces using clean kitchen scissors. Toss through the cereal with the toasted sesame seeds so the dry mixture is evenly distributed.
3. Warm brown rice syrup, soy sauce and oil in a small saucepan over low heat for 1 minute, just until easy to stir; do not boil vigorously.
4. Pour the warm syrup over the cereal and immediately fold with a spatula until coated. Spread thinly on the lined tray without packing it into a thick slab.
5. Bake for 15 minutes, stirring once halfway through. Let cool completely on the tray so the mixture firms into crisp clusters.
6. Break into eighteen small clusters and divide three per person. Store only fully dry, crisp clusters in an airtight container at room temperature for up to 3 days.
